Dear James,

Congratulations on your acceptance into the Catholic Volunteer program! Your commitment to others, academic performance, and leadership were the determining factors in our competitive selection process. Our leadership team, alumni, and friends look forward to welcoming you into our Catholic Volunteer family.

As a Catholic Volunteer you will be a leader and role model within your new Florida community. As such, we have the expectation that you will hold yourself to the highest standard of excellence in all of your personal and professional relationships. And we hope that you will take this year to challenge yourself to *become who you are* to the fullest extent. Your greatest talents and skills are needed to meet the great service opportunities here in Florida and the larger world.

In addition to your commitment to service, we hope that you will seriously consider your faith journey this year. Great leaders of the last century who left deep positive footprints on humankind all lived prayerful lives that integrated faith and service. Mother Teresa, Mahatma Gandhi, and Martin Luther King Jr. are just a few. It was from a foundation of prayer that these holy people acted, and it was also out of a relationship with the Father, that Jesus acted. We must remember that Jesus Christ, himself, challenged us to do great things.

Amen, amen, I say to you, whoever believes in me will do the works that I do, and will do greater ones than these, because I am going to the Father.  
And whatever you ask in my name, I will do ...(John 14:12-14)

We look forward to your energy and enthusiasm. Please give us a call if you have any questions.

Peace,

Richard Galentino  
Executive Director
