Dear Amate House Volunteers,

As this year comes to a close, we would like your help in evaluating our programming. We would like to ask that you participate in a 20 minute Exit Interview in the end of May. This is an evaluation of the **program**, not of YOU and your participation in our program. We feel strongly that your critical, thoughtful feedback will help us to continue to improve the programming that we offer.

Attached is a Self Evaluation of your own growth and development as a result of your Amate House experience. These statements are the goals for our programming. Measuring your growth and development in these areas will help us to understand what aspects of our programming needs to be stronger, adjusted or scrapped all together! We ask that you fill this out with thought and reflection. It will be due at the time of your interview and will be used as a tool for discussion at that time.

There will be an opportunity for you to expand, verbally, during the interview as well. Your interview will be set up and conducted by a Coordinator from a different House.

Becky will interview Little Village.
Elisabeth will interview the North Side.
Meg will interview the South Side.

Your self-evaluation will be shared with our Program Staff and will not be anonymous. However, your conversation with the interviewing Coordinator will not be shared with other Program Staff. We will review our conversations as a staff, but specific names will not be used. We want you to be able to speak freely about your experiences.

There will still be a written evaluation at the end of the year. We think that it is important for you to evaluate this year in writing as well as through conversation.

We will be contacting you in early May to set up interview times. All interviews will take place in the Amate House offices at each house. We ask that you be as flexible as you can in making it home at a respectable time for the interview. We are sure that your Site Supervisors will understand!

If you have questions or concerns, please let us know.

Thank you!

Amate House Program Staff
