

MID YEAR REFLECTIONS

In order to serve you better for the second half of our year together, please take the time to complete this reflection. It will benefit you and your community as well as our staff if you spend time on this evaluation and reflect upon the questions that it asks. Feel free to comment on the back! Also, please note that there are REFLECTIVE parts of this packet and EVALUATIVE parts of this packet. Please answer the questions accordingly.

We will be reviewing this evaluation at our community night on January 12th, 2006.

DUE BY MONDAY, JANUARY 2, 2006!

Thank you for taking the time to complete this!
Have a relaxing and rejuvenating Christmas!

Personal Reflection Questions

These questions will help shape our discussion for our Community Night in January. Your honest answers will help the staff in planning an evening that is useful for your House. We will give this reflection back to you that evening. Your answers to these questions are confidential, but we hope that concerns and joys that you have will come out in discussion that evening.

You may use another sheet of paper or type if that is helpful to you.

Step outside of yourself and your personal opinions. What does your community need in order to have a positive second half of the year? (Remember, your community's needs, not your individual needs).

In reflecting on the time you may have spent at home or with friends during the Christmas or Thanksgiving holiday... In what ways has your community at Amate House shaped your identity as a person? What changes have you noticed in yourself as a result of being a member of your Amate House Community?

How do you affect your Amate House Community?

What do you add?

What do you gain?

How might you hinder the community?

How might you enhance the growth of the community?

MID YEAR EVALUATION

*Thank you for taking the time to evaluate our programming. We will do a more extensive evaluation of our community night curriculum at the end of the year. Of course, if you have any comments, concerns or suggestions they are always welcome and helpful to us as we plan ahead.
1= Poor, needs improvement; 5= Excellent*
