

**Objectives:**

- Advantage of data usage
- The art of accompaniment

**At the volunteer level**

*Salesian Volunteer Program (World level)*

What can we say about the people who have been part of this volunteer program? Maybe what are the hidden benefits of this program?

--

*St. Dominic Savio Summer Camp Volunteer Experience*

What type of formation program would you offer to these future volunteers?

--

**At the program level**

<i>Impressions of video 1</i>	Recommendations
<i>Impressions of video 2</i>	Recommendations

**Accompaniment**

**How are we doing it?**

Personal	
Group	
Environment	

What I learned?	How would I put it into practice?	By when?

New ideas!
